

# KINDNESS ROCKS ACTIVITY

Big Life Journal

Kindness Rocks are a wonderful way to spread joy and leave encouraging messages for others. You can hide them for others to find (for example, around your neighborhood or school) or simply pass them to friends and family.

## Step 1 Gather rocks

You can find rocks at a local landscaping business or your neighborhood park. Be careful not to take too many rocks from nature as it can disrupt the environment.

## Step 2 Prepare rocks for painting

Rinse your rocks well and allow them to dry completely. If you want more vibrant colors, start with a white base coat (you might need a couple layers of paint). Allow the paint to draw in between coats.

## Step 3 Choose the right paint

You can use a brush and non-toxic acrylic craft paint or paint pens for your rocks.

## Step 4 Have fun creating!

First, paint your rocks solid colors and let them dry. Next, write kindness messages (ideas are provided on the next page) with a fine or medium size marker and include drawings and other decorative elements. Finally, seal rocks with Mod Podge® or another kind of sealant (optional).

Add [#biglifejournal](#) to the back of your rocks. Share photos of your completed rocks on Facebook or Instagram and tag [@biglifejournal](#)
